Two different training paths for an operational Graduate Program

Operational support

As Junior Financial Controller, Junior Clientele Manager, Junior Sales Manager, or Junior Digital Project Manager, you will assist the Group with the support functions that contribute to successful business.

Operational management

You'll have the opportunity to work in the field and discover different jobs, manage teams and contribute to the development of the Group's activities.

The Graduate Program

Are you a young university graduate who wants to receive training for a position at Newrest? Newrest offers you:

- A one-year contract in France or in one of the 49 countries where we conduct business
- Quick acquisition of skills
- Fast track careers
- Daily presence in the field, working closely along with operations
- Regular assessment of acquired skills to guarantee continued progress
- International career opportunities

over 90%

of the participants have obtained permanent positions with Newrest and **now play an active role in the Group's future.**

80 graduates

will be hired by the Group to **become its future managers.**

Specific features of our program
