Our commitments

Newrest is committed to continuous improvement to ensure operational efficiency and provide safe products and services, while respecting the environment and our stakeholders.

We are committed to our stakeholders through our CSR charter *be the change* on 9 priority topics, in line with *Paris Agreement*. The Group has also been a signatory of the *United Nations Global Compact* since 2012 and is committed to respecting human rights, guaranteeing decent working conditions and fighting corruption in its activities.
